CM discussed open actions

BP has sent over ideas from the branding company, for the group to choose from. First job to decide on the visual branding.

1<sup>st</sup> page who we are what we do

What should it say...what is the initial message? Shorter and sharper than Richmonds.

Everyone to send to BP a few lines of what they think we should include here.

Capture into the site.

RA and BP to introduce seminar, not as agm

They will be recorded, and shared

Back up plan on questions.

How is lock down going:

Schools also introducing more children numbers are creeping up, homeschooling struggles at home.

Parents struggling with work wether not helping. Lack of social motivation parents putting too much pressure on themselves.

Not adjusting lessons to suit individuals. Needs or how they learn hard to replicate at home.

Multi sensory learning not available via a screen.

Setting up a survey? Send out on lock down thoughts

Ashley main contact to AFC and is currently unwell. Also SEN transformation plan and work streams.

Not all information that we ask for is shared. How many children with EHCP attend school whats the difference between now and then.

National survey: do our own version

Fornightly meetings and even if just for a half hour check in. taking it in turns to chair. Volunteers welcome.

Therapies oversight – now ccg and afc join funding for recruitment. Had to have data of what is needed to do this. To get right commissioning. Long waiting lists for salt, bands 567 in post. Delay on starts because of lockdown. BP sat in on their interviews, thought that they were good. Less bank staff but new people in post long term.

School accessing services different options work in progress also on work specification.

We need the information to give the feedback.

meeting to discuss.to ask questions to and try and get answers. Keeping pressure on the issues.

AS taking a step back for a while. LK also taking a step back for a while too.
