Shape the future of SENDIASS
Your voice matters!

We are reaching out to parents and carers of children and young people with special educational needs and disabilities (SEND) in Kingston and Richmond.

We need your views to help us shape the future of the Special Educational Needs and Disability Information, Advice, and Support Service (SENDIASS).

What is recommissioning?

Recommissioning is our process for reviewing and redesigning SENDIASS to make sure it is the best it can be for your family. We review the current service to plan how to make it even more effective, accessible, and supportive for parents and carers in Kingston and Richmond.

Your views are absolutely essential to this process

We want to hear your experiences, what works well, and what could be improved. Regardless of your child's needs, you're welcome here, whether you've used Sendiass before or not.

Join our upcoming SENDIASS information and engagement events

We are holding a series of sessions to share information, gather your feedback, and ensure your priorities are central to the new service design. All sessions will focus on providing information and advice on special educational needs and disabilities.
